WARFIGHTERS ARE REQUIRED TO GO ANYWHERE, ANYTIME. OUR FAMILY OF UNMANNED SYSTEMS ARE, TOO.

UNMANNED SYSTEMS Northrop Grumman provides affordable total solutions in all domains—undersea, surface sea, ground, air, and near-space. From our combat-proven Global Hawk and shipboard Fire Scout, to our carrier-capable X-47B and unblinking Long Endurance Multi-Intelligence Vehicle, Northrop Grumman offers the most advanced and persistent unmanned aircraft systems for any mission, anytime.
